Questions to ponder from our program Living Generously:

- *It is God who gives us everything so that we can bless others. Do you give back to God your first and best or your leftovers?*
- *If your money could talk what would it say? Do you use your money, time, and talents to serve yourself or God?*
- *Jesus humbled himself to serve and sacrifice himself for us. Jesus became poor so that we could be rich. How can you share that richness with others?*
- *Your resources (time, talent, effort, relationships...) are spiritual seeds for you to invest eternally. What are you doing with the resources of time, treasure, and talent that God has given you? Are you living generously?*
